

DEAR GUESTS WELCOME TO VILLA KURTULDU!

PLEASE FOLLOW THE FOLLOWING RULES DURING YOUR ACCOMMODATION!

- ✚ Before coming, please send your gsm number and request location via Whatsapp.
- ✚ When you arrive at the location, go through the garden gate and a coded building door and get the key.
- ✚ Take your shoes off outside the apartment and put them in the adjacent shoe boxes.
- ✚ Wear disposable slippers left for you when you enter.
- ✚ If necessary, adjust the room temperature with the thermostat by pressing the – and + buttons. The normal room temperature value is 23 degrees Celsius. Do not use above this rating.
- ✚ Do not put wet laundry, etc., on the heaters in order to warm the room well. Put your laundry in the laundry and keep it next to the heater.
- ✚ Do not open the windows and doors of the rooms while the heater and air conditioner are operating.
- ✚ Keep the room doors open while the heater and air conditioner are running.
- ✚ To use hot water, turn the handle of all fountains by lifting them to the left. Check the temperature of the water to flow with your hand. Wait 5-10 seconds.
- ✚ If hot water is not flowing, check the heater screen on the balcony. Press the – or + buttons with the fountain logo. If 45 is displayed on the screen, there is no problem.
- ✚ The water temperature should be 45 degrees Celsius. High temperature can cause burns.
- ✚ There are shampoo, ear cotton, foot towel, head towel and bath towel left for you in the bathroom and bedroom.
- ✚ Also left for you in the apartment; There are materials such as iron, ironing board, hair dryer, dishwashing liquid, laundry detergent, dish sponge, plate, bowl, fork, spoon, knife, glass etc. Use them with care.
- ✚ Do not wear shoes inside.
- ✚ Always turn off the lights, air conditioner and heater when they are not needed and when leaving the apartment. Before going out, lower the thermostat temperature setting to 10 degrees.
- ✚ Use clean WC and bathrooms. On the way out, siphon.
- ✚ When cooking in the kitchen, make sure to run the aspirator. Ventilate by opening the kitchen window if necessary.
- ✚ Do not smoke in rooms except balconies.
- ✚ The TV channel list is on the back of the remote control. Do not play with the channel settings.
